GENERAL MANAGER'S OFFICE,

Mysore, 10 May 1939.

FROM

Y. K. RAMACHANDRA RAU, Esq., B.A., L.C.E., M.I.E., (Ind.),

GENERAL MANAGER, MYSORE STATE RAILWAY,

MYSORE.

To

The Secretary
to the Government of His Highness
The Maharaja of Mysore, Railway Department,
Bangalore.

Sir,

Accounts staff attached to the
Loco and Carriage Superintendent's Office.

With reference to Government Order No.Fl.5307-9 G.F. 37-65 dated 14-3-1938, sanctioning the appointment of one junior Accountant and an Accounts Clerk for one year, I have the honour to state that the Loco and Carriage Superintendent considers that these two hands should be continued permanently to cope with heavy accounts work in Shops and Loco Office, caused by resumption of State Lines.

In addition to these two hands the Loco and Carriage Superintendent has been repeatedly urging for the appointment of another additional junior Accountant also to exercise check over initial accounts and registers of Workshops from day to day and also exercise close supervision over the work of Shop clerks, Time Office, work takers, etc., so as to furnish reliable figures to the Works Manager when required for controlling expenditure. The Auditor was consulted about the necessity for this additional Accountant and he has observed as follows in his letter to Loco and Carriage - Superintendent :-

" With reference to correspondence ending with

your letter No.E.506/6/34 dated 19-9-38 explaining the necessity for an additional Accountant required for the Shops with a view to exercise better and closer scrutiny over the initial accounts in the Shops, I agree with your views and have accordingly proposed, in the revised scale of this office an additional Accountant on account of workshop requirements. But it may take a fairly long time before my proposals are sanctioned by Government. If you think there is pressing need for an additional Accountant immediately, I would suggest your approaching the General Manager for sanctioning the appointment temporarily up to one year under the powers vested in him, duly pointing out the source from which the extra cost during the year will be met."

In these circumstances, I request sanction of Government to the following Accounts Staff* being sanctioned for the Loco-Department either as part of the establishment of Audit or of the Department, as the Government may deem it necessary.
